## HEALTH SPA WEEKS PROVED TO BE A RESOUNDING SUCCESS!

**“We offered a Health Spa Week, and our students were heaped with compliments with the 30 clients commenting on the excellent service, the relaxed environment and how professional it was. They said it was a wonderful day – one even called it ‘absolutely fabulous’. In fact, it was such a success that we arranged another week for Winter”** said Claire Springthorpe, Beauty, Hairdressing, Barbering and Sports Massage Curriculum Manager at Loughborough College.

More than 30 of our beauty therapy and hairdressing students indulged clients with Dermalogica facials, full body massages, manicures and pedicures as well as wash and blow dries. They welcomed clients with breakfast and also took them from our training salon to the restaurant to enjoy their lunch – which was provided by the College’s hospitality and catering students and staff.

Following its successful launch, the Winter Health Spa week had another hit on its hands with clients once again full of praise for the professional service offered by students providing a range of beauty and hair treatments, not to mention breakfast and lunch at the Radmoor Restaurant.

**“We had 24 clients during the winter Spa Week and every one of them was thrilled with the relaxed atmosphere and high standard of their treatment, with some commenting it was better than any commercial salon they had ever been to.**

**“It was wonderful for our students to receive such positive feedback and was of course an excellent opportunity for them to gain an insight into working in the industry, as well as to be practically assessed for their courses – which was reflected in the distinction grades achieved”.**
