# Association of Accounting Technicians Apprenticeship

In a rapidly changing world one thing has remained constant; to prosper you need business, and where you have business you need accountants. All business, big or small, needs modern financial skills to develop and prosper. Investment in high quality training of accounting and book-keeping staff is an essential component of any business.

This course operates rolling start dates throughout the year. Contact our Admissions Team on 01509 618375 or by emailing [info@loucoll.ac.uk](mailto:info@loucoll.ac.uk) to find out when the next start date will be.

## Programme Content

You will learn how to draft financial statements for limited companies, perform complex management accounting tasks and develop your own management skills.

You have the chance to focus your efforts on the areas of accounting most relevant to you. In addition to tuition fees, you will have to become a member of the AAT - fees apply.

You'll be assessed in two ways:

- Computer based tests - marked automatically and a provisional result available immediately.
- Computer based assessments - partially computer marked and partially human marked, results will be available within six weeks

FOR EMPLOYERS

## Progression

The Association of Accounting Technicians (AAT) are the world's largest professional body for qualified Accounting Technicians and people employed in a variety of accounting and financial roles.

It is also a popular route to qualified chartered status. In fact it is sponsored by the main chartered bodies (ICAEW; CIMA; ICAS; CIPFA) who work with AAT to ensure that the course meets the necessary standards and thus gains valuable exemptions from these chartered bodies.
