

## KeyFacts

---

Dates:

September 2022

Mode of Attendance:

Full Time (FT)

Level:

5

Course Duration:

2 Years

Course Code:

TFK5451

## Description

This two-year Foundation Degree programme has been designed to enable a multidisciplinary study of Business and Management at a higher level. You will gain a theoretical and practical understanding of Business and Management in a variety of industry contexts. The modules on this course will provide you with the skills and experience necessary for successful employment through a combination of theoretical study and practical tasks.

## Course Content

This programme will allow you to enhance your current knowledge and skills in order to develop as an informed Business and Management specialist. Your learning will include lectures, seminars, guest speakers, trips, peer group learning and a series of practical tasks in relation to starting your own business. The programme allows you to study modules such as:

- Financial Management
- Leadership
- Performance Management
- Marketing
- Enterprise and Entrepreneurship
- Leading Change

Your academic and course tutor will work with you throughout the duration of your programme, supporting your development and tracking your academic progress to ensure that you achieve your best.
