# CAREERS AND EMPLOYABILITY

**With so much competition, securing a place at university or landing a job can be tricky, and exam results aren't enough on their own. That's where we come in!**

On top of your qualification, we'll help you to develop the qualities and skills you need to stand out from the crowd.

## CAREERS ADVICE

Whether you're thinking about applying for university or entering the world of work, our advisors are here for you. We'll work with you to help you define your strengths, work out your next steps and ensure that you feel confident about moving forward.

## REAL WORK EXPERIENCE

Many of our courses include industry placement or a work experience element, designed to provide you with valuable hands-on experience. This will really give you the edge on your CV or university application, as many students leave formal education without any practical know-how.

Based on the college campus, the Job Shop is the go to place to find and apply for industry placements and apprenticeship vacancies. We have a team of experts in recruitment and employability that our students can book in with to receive information, advice and guidance to support their chances of being successful.

# CAREERS & ENTERPRISE HUB

## CAREERS AND ENTERPRISE HUB

The Careers and Enterprise Hub is a unique partnership between Loughborough College, Loughborough University and Charnwood Borough Council and was created as part of the Loughborough Town Deal.

Based in the heart of Loughborough Market Place, careers and employment experts from Loughborough College offer guidance and support to people who want to boost their careers or get in to work.

The team have access to local vacancies, and engage with a host of employers and services, which ensures they are able to support and advise our students accordingly.

They will also help you fill out applications and can provide plenty of handy CV and interview tips, to ensure that employers want to snap you up!

### DID YOU KNOW?

81% of employers value employability skills above other factors, including qualification or grade

# STUDENT SUPPORT

Whichever route you choose, we're here for you every step of the way.

## ADDITIONAL SUPPORT

Our dedicated support network helps to make sure that all students get the most from their college experience, regardless of any support needs or disabilities. We have specialists in ASD, physical disabilities, learning difficulties, and mental health, who are on hand to support you throughout your time with us.

You can speak to a member of the additional support team at an open day located in the **Little Space**.

Alternatively, they can be contacted on **01509 618313** or **support@loucoll.ac.uk**

## PROGRESS

If you're a full-time student, you'll see a lot of your teachers and your progress tutor. Between them, they can offer all kinds of support and advice, and will work with you to set targets, so you're clear about your goals and ready for your next steps.

## LEARNER WELFARE

We're very much invested in our students and have a range of teams dedicated to your welfare and development. These include the Mental Health team, Wellbeing Mentors, Inclusion team and Safeguarding Officers. If you require support there is someone here for you to speak to. We offer 1:1 appointments as well as inclusive support groups, we also provide a sexual health clinic three times a week.
